Office Writer, Version 6.0 offers a 30-day trial period if you are interested in a personal evaluation.
However, the reference manual did not cover Office Writer's features as extensively as we would have liked. For example, we were not able to examine the full range of macro commands. The manual was somewhat brief on the usage of macros, and there is no mention of the macro command interface. We also found that the manual did not explain the technical details of the macros, although it did provide a brief introduction to the macro command interface.
